Victory seemed unlikely. Mount Saint Michael were two sets down and St. Leo's certainly had the upper hand in the third set, dominating 9 points to 2. Each time St. Leo's scored, they pounded the ground in unison, further intimidating an already shaky Claremorris team. So how, in these circumstances, did they snatch victory from the jaws of almost certain defeat?

The first set seemed to suggest two teams who were equally matched. Michael's fought point for point against a Leo's team whose defence was almost impenetrable, yet Edel Nolan managed to hit home some impressive spikes. However, as the set drew to a close, they found themselves unable to finish the job and St Leo's stormed into the second set with a 25-22 win in the first set under their belt.

This is where it all went wrong for Claremorris. Having lost the first set, their nerves took over and their difficulty settling into the match was evident in a plethora of unforced errors, despite excellent positioning by Nikki Hanley and impact substitutions by Lisa McGreal and Jackie Prendergast. They lost the second set 25-19 and hope began to fade for their 200+ supporters.

The third set began in similar fashion but sensing that they now had nothing to lose – except of course the All-Ireland Title – the team lifted their game tremendously, aided by the now deafening cries of their desperate supporters, led by Lisa Brett and Chloe Hughes. Strategic use of time outs by coach Fionnghuala King saw the girls finally settle into the match. She no doubt reminded them of their team mantra – no matter how badly things seem to be going 'don't lose your marbles'. Stephanie Mellet had a great run of serves and made a stunning save at this crucial point in the set. Aisling Croghan made some unbelievable hits from the wings and Edel Nolan shone as the driving force behind Mount St Michael's incredible comeback. They won the third set 25-16 and St Leo's game began to fall apart.

A fear of losing now defined their play, and they frequently only used two of their three hits, eager to simply get the ball across the net. Meanwhile, Claremorris grew in confidence, scoring a resounding victory in the fourth set 25-13.

As it finally dawned that Claremorris could actually win this match, the excitement and tension in the arena reached fever pitch, and the daddies on the sideline (Gerry Croghan & Con Nolan) riled up the crowd, ably assisted by vice-principal Margaret Burke. However, St Leo's finally realised that it was still all to play for and once again their defence, led by Sinead Ruth, became near-impossible to break down. Edel Nolan made three excellent spikes in a row only to find each and every one returned. Long rallies defined the 5th and final

Short Informative Speech on Smoking

Smoking is regarded as a fashion symbol in young boys. Despite the ill effects of smoking, people still continue to smoke. Many young boys, who start smoking, feel that they look broadminded and liberated if they smoke.

Most often, the teenagers adopt this habit just because of the company they enjoy. Sometimes, they take a puff from their friend's cigar. Later on, they develop the habit of smoking as an indispensable part of their lives. With the passage of time, the followers of this bad habit turn into chain smokers. It must be kept in mind that smoking is a toxic habit that may develop lungs' cancer. Moreover, the other toxic chemicals like arsenic, carbon Monoxide, methane, acetic acid, nicotine, butane and cadmium present in cigarettes are also highly damaging for health.

Currently, cigarette manufacturing companies are doing very well all over the globe. Such manufacturing companies also inscribe warnings on the packets of cigarettes; still people do not pay any heed. On the other hand, every year government increases the price of cigarettes to discourage people using tobacco. Yet smokers go on smoking and prove to be slaves of this bad habit.

The active smokers also harm other people around them known as passive smokers. Here, it is significant on the part of the government to keep a ban on advertisements that allure people to smoke. Moreover, the family members and close friends of the smoker should also play their part to aware the smoker about the bad effects of this habit. Although it requires strong will to stop smoking but once you plan to give up, you can definitely do.
